OVERVIEW OF ECONOMY

Growth is increasing, making India the fastest-growing G20 economy. Investment and exports, supported by the smoother implementation of the new goods and services tax (GST), are becoming major growth engines. Inflation will hover within the target band, with upside risks reflecting rising oil prices and an increase in housing allowance for public employees. The current account deficit will increase. Job creation in the formal sector will remain sluggish, leaving the vast majority of workers in low-productivity, low-paid activities.

Fiscal and monetary policies are projected to remain broadly neutral. To reduce the relatively high public debt-to-GDP ratio, containing contingent fiscal liabilities is key, including through better governance of public enterprises. Better risk assessment in banks would allow allocating financial resources to the best projects and avoiding a new increase in non-performing loans. Investing more in education and training, combined with a modernisation of labour laws, would help create better jobs and make growth more inclusive.

Reforms are gradually paying off, as confirmed by the recovery in industrial production and investment after several weak years. With capacity utilisation rising, corporate earnings recovering and the recapitalisation of public banks, investment has revived. Private consumption has suffered from the confidence and employment shocks associated with demonetisation. However, a recovery is underway as suggested by the recent rebound in two-wheelers sales and other vehicles. The number of employees eligible for social security benefits has been boosted by an amnesty scheme for companies, but still stands below 10% of total employees. Employment data are partial but suggest that overall job creation has been lacklustre.

OVERALL PERFORMANCE & OUTLOOK

Gross revenue from operations during the year was stood at ₹(36.67) lakh in comparison to last years' revenue of ₹ (7.10) lakh. In term of Net Profit (after Tax & Extra-Ordinary Items), the same has been stood at ₹ (119.52) lakh in comparison to last years' Net Profit of ₹ (228.96) lakh; showing a decline in comparison to last years' profit.

Management Discussions & Analysis

MACRO ECONOMIC ENVIRONMENT

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF) and it is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships. India's GDP is estimated to have increased 6.6 per cent in 2017-18 and is expected to grow 7.3 per cent in 2018-19.

India's gross domestic product (GDP) at constant prices grew by 7.2 per cent in September-December 2017 quarter as per the Central Statistics Organisation (CSO). Corporate earnings in India are expected to grow by 15-20 per cent in FY 2018-19 supported by recovery in capital expenditure, according to JM Financial.

The tax collection figures between April 2017- February 2018 show an increase in net direct taxes by 19.5 per cent year-on-year and an increase in net direct taxes by 22.2 per cent year-on-year.

OPPORTUNITIES

The country's financial services sector consists of the capital markets, insurance sector and non-banking financial companies (NBFCs). India's gross domestic savings (GDS) as a percentage of Gross Domestic Product (GDP) has remained above 30 per cent since 2004. It is projected that national savings in India will reach US\$ 1,272 billion by 2019. Over 95 per cent of household savings in India are invested in bank deposits and only 5 per cent in other financial asset classes.

The asset management industry in India is among the fastest growing in the world. Corporate investors accounted for around 43.44 per cent of total AUM in India, while High Net Worth Individuals (HNWI) and retail investors account for 30.09 per cent and 24.79 per cent, respectively. In the Asia-Pacific, India is among the top five countries in terms of HNWIs.

RBI has allowed 100 per cent foreign investment under the automatic route in 'other financial services'.

India's equity market turnover has increased significantly in recent years. The annual turnover value in the National Stock Exchange (NSE) witnessed a CAGR of 19.13 per cent between FY 96 and FY 17 to reach US\$ 790 billion. During the month of January 2018, equity mutual funds have registered a record net inflow of Rs 14,683 crore (US\$ 2.27 billion).

THREATS & CONCERNS

The risk of loan loss is high in India. Due to lack of appropriate due diligence and monitoring of loans, the number of loan defaults has increased in recent years. The non-performing assets are growing in last few years while the GDP has been declining.

A majority of the banks in India offer online and mobile banking services. Most of the transactions are conducted via payment cards, debit and credit cards, and electronic channels such as ATMs. Consequently, both private and public banks as well as other financial institutions in India are becoming increasingly vulnerable to sophisticated cyber-attacks.

India has witnessed numerous terror attacks and remains a potential target for such strikes. Stringent regulatory requirement and media scrutiny have made it mandatory for financial institutions to perform strict compliance checks to prevent the use of money laundering to fund terrorist activities.

HUMAN RESOURCES

The Company recognizes that its success is deeply embedded in the success of its human capital. During 2018-2019, the Company continued to strengthen its HR processes in line with its objective of creating an inspired workforce. The employee engagement initiatives included placing greater emphasis on learning

and development, launching leadership development programme, introducing internal communication, providing opportunities to staff to seek inspirational roles through internal job postings, streamlining the Performance Management System, making the compensation structure more competitive and streamlining the performance-link rewards and incentives.

The Company believes that learning is an ongoing process. Towards this end, the Company has built a training infrastructure which seeks to upgrade skill levels across grades and functions through a combination of in-house and external programme.

CORPORATE SUSTAINABILITY AND SOCIAL RESPONSIBILITY

The provision of the Section 135 and Schedule VII of the Companies Act, 2013 as well as the provisions of the Companies (Corporate Social Responsibility Policy) Rules, 2014 effective from April 1, 2014 relating to CSR Initiatives are not applicable to the Company.

CAUTIONARY STATEMENT

Certain statements under “Management Discussion & Analysis” describing the Company’s objectives, projections, estimates, expectations or predictions may be forward looking statement within the meaning of applicable securities laws and regulations. Although the expectations are based on reasonable assumptions, the actual results could materially differ from those expressed or implied, since the Company’s operations are influenced by many external and internal factors beyond the control of the Company. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

COMPLIANCE

The Compliance function of the Company is responsible for independently ensuring that operating and business units comply with regulatory and internal guidelines. The Compliance Department of the Company is continued to play a pivotal role in ensuring implementation of compliance functions in accordance with the directives issued by regulators, the Company’s Board of Directors and the Company’s Compliance Policy. The Audit Committee of the Board reviews the performance of the Compliance Department and the status of compliance with regulatory/internal guidelines on a periodic basis.

The Company has complied with all requirements of regulatory authorities. No penalties/strictures were imposed on the Company by stock exchanges or SEBI or any statutory authority on any matter related to capital market during the last three years.

q. Dematerialization of Shares & Liquidity

The Company's Equity Shares are in Demat trading segment and the Company had established connectivity with both NSDL & CDSL by signing the necessary agreements.

Procedures for dematerialization / rematerialization of Equity Shares:-

Shareholders seeking demat / remat of their shares need to approach their Depository Participants (DP) with whom they maintain a demat account. The DP will generate an electronic request and will send the physical share certificates to Registrar and Share Transfer Agents of the Company. Upon receipt of the request and share certificates, the Registrar will verify the same. Upon verification, the Registrar will request NSDL/CDSL to confirm the demat request. The demat account of the respective share holder will be credited with equivalent number of shares. In case of rejection of the request, the same shall be communicated to the shareholder.

In case of remat, upon receipt of the request from the shareholder, the DP generates a request and verification of the same is done by the Registrar. The Registrar then requests NSDL or CDSL to confirm the same. Approval of the Company is being sought and equivalent numbers of shares are issued in physical form to the shareholder. The share certificates are dispatched within 15 days from the date of issue of Shares.

The Shares of Company are eligible for trading on BSE and CSE and 89.44% of the Company's Equity Share Capital held under Public category has been dematerialized up to 31st March 2019.

r. Nomination

Individual Shareholders holding shares singly or jointly in physical form can nominate a person in whose name the shares shall be transferable in case of death of the registered shareholder(s). Nomination facility in respect of shares held in electronic form is also available with the depository participants as per the bye-laws and business rules applicable to NSDL and CDSL. Nomination form SH-13 ([Pursuant to section 72 of the Companies Act, 2013 and rule 19(1) of the Companies (Share Capital and Debentures) Rules 2014] can be obtained from the Company's Registrar and Share Transfer Agent. It is also available on Public domain.

s. Requirement of PAN Card in case of Transfer of Shares in Physical Form

Pursuant to SEBI Circular, the shareholders holding shares in physical form are requested to submit self certified copy of PAN at the time of sending their request for share transfer/transmission of name/transposition of name.

t. For the Attention of Shareholders holding shares in electronic form

Shareholders holding shares in electronic mode should address all their correspondence to their respective Depository Participants (DPs).

u. Electronic Clearing Service

The Securities and Exchange Board of India (SEBI) has made it mandatory for all companies to use the bank account details furnished by the Depositories for depositing dividends. Dividend will be credited to the Members' bank account through NECS wherever complete core banking details are available with the Company. In case where the core banking details are not available, dividend warrants will be issued to the Members with bank details printed thereon as available in the Company's records. This ensures that the dividend warrants, even if lost or stolen, cannot be used for any purpose other than for depositing the money in the accounts specified on the dividend warrants and ensures safety for the investors. The Company complies with the SEBI requirement.

Independent Auditors' Report

To
The Members
M/s. Prime Capital Market Limited

Opinion

1. We have audited the accompanying standalone financial statements of M/s Prime Capital Market Limited (the 'Company'), which comprise the Balance Sheet as at 31 March 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2019, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date..

Basis for Opinion

1. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

- 4 Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity)¹ and cash flows of the Company in accordance with² the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease

operations, or has no realistic alternative but to do so. Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other Legal and Regulatory Requirements

As required by "the Companies (Auditor's Report) Order, 2016 ("the Order")", issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we consider appropriate and according to the information and explanation given to us, we give in the Annexure "A" a statement on the matters specified in the paragraph 3 and 4 of the Order.

As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) The going concern matter described in sub-paragraph (b) under the Other Matters paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- f) On the basis of written representations received from the directors as on 31 March, 2019, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2019, from being appointed as a director in terms of Section 164(2) of the Act.
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B" and;
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us, we report that :
 - i The Company has disclosed the impact of pending litigations, if any, on its financial position in its financial statements; however there isn't any litigations pending against the name of the company so far, as appeared from the records and has been told to us by the management.
 - ii The Company has made provisions, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; however, no such losses are been foreseeable in near future by the company's management.
 - iii There are no requirements in transferring amounts, to the Investor Education and Protection Fund by the Company.

Annexure "A" to the Independent Auditors' Report

Referred to in paragraph 10(f) of the Independent Auditors' Report of even date to the members of M/s. Prime Capital Market Limited on the standalone financial statements for the year ended March 31, 2019

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of M/s Prime Capital Market Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that –

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE "1"

1. ACCOUNTING POLICIES FORMING PART OF FINANCIAL STATEMENTS

A. Company Information

Prime Capital Market Limited (referred to as "Company") has been incorporated on June 28, 1994 vide CIN L67120OR1994PLC003649 having registered office at Plot No. 18A, BJB Nagar, Bhubaneswar – 751 014.

The Company is one of the RBI registered NBFC. The Company is into the business of Trading and Investments Activities in Shares & Securities as well as Commodities trading and engaged in financing activities by way of providing funding solutions to clients.

B. SIGNIFICANT ACCOUNTING POLICIES:

2. Statement of Compliance

The financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 read with sub-section (1) of section 210A of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied along with compliance with other statutory promulgations require a different treatment.

The financial statements for the year ended March 31, 2019 of the Company is the first financial statements prepared in compliance with Ind AS. The date of transition to Ind AS is April 1, 2018. The financial statements upto the year ended March 31, 2018, were prepared in accordance with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") and other relevant provisions of the Act. The figures for the year ended March 31, 2018 have now been restated under Ind AS to provide comparability. Refer Note 36 for the details of first-time adoption exemptions availed by the Company.

3. Basis of Preparation of Financial Statements

The financial statements are prepared in accordance with the historical cost convention, except for certain items that are measured at fair values at the end of each reporting period, as explained in the accounting policies.

- i. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17 – Leases, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 – Inventories or value in use in Ind AS 36 – Impairment of Assets.
- ii. In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:
 - Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;

- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
 - Level 3 inputs are unobservable inputs for the asset or liability.
- iii. The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods.
- iv. All assets and liabilities have been classified as current or non-current as per Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act 2013 and Ind AS 1- Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.
4. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured at the fair value of the consideration received or receivable as reduced for estimated customer credits and other similar allowances.

Income from arbitrage comprises profit / loss on sale of securities held as stock-in-trade and profit / loss on equity derivative instruments is accounted as per following:

- Interest income is recognised in the Statement of Profit and Loss and for all financial instruments except for those classified as held for trading or those measured or designated as at fair value through profit or loss (FVTPL) is measured using the effective interest method (EIR).
- The calculation of the EIR includes all fees and points paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets at FVTPL transaction costs are recognised in profit or loss at initial recognition.
- The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses (ECLs)). For financial assets originated or purchased credit-impaired (POCI) the EIR reflects the ECLs in determining the future cash flows expected to be received from the financial asset.
- Dividend income is recognised when the Company's right to receive dividend is established by the reporting date and no significant uncertainty as to collectability exists.
- Fee and commission income and expense include fees other than those that are an integral part of EIR. The fees included in the Company statement of profit and loss include among other things fees charged for servicing a loan, non-utilisation fees relating to loan commitments when it is unlikely that these will result in a specific lending arrangement and loan advisory fees.
- Profit / loss on sale of securities are determined based on the FIFO cost of the securities sold.
- Profit / loss on FNO Segment and Commodity transactions is accounted for as explained below:

- Initial and additional margin paid over and above initial margin for entering into contracts for Equity Index / Stock Futures / Commodity Spot Trading/ Currency Futures and or Equity Index / Stock Options / Currency Options, which are released on final settlement / squaring-up of underlying contracts, are disclosed under “Other current assets”. Mark-to-market margin-Equity Index / Stock Futures / Currency Futures representing the amounts paid in respect of mark to market margin is disclosed under “Other current assets”.
- Revenue from the sale of shares is recognised when significant risks and rewards of ownership have been transferred to the customers (which generally coincide with their delivery to customers), the amount of revenue can be measured reliably and recovery of the consideration is probable. It is measured at the fair value of the consideration received or receivable for goods supplied net of returns and discounts to customers.
- Revenue from services is recognised at the fair value of the consideration received or receivable for services rendered in the periods in which the services are rendered on a prorated basis over the period or as per the terms of the contract.
- Dividend income from investments is recognised when the shareholder’s right to receive dividend has been established.
- Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset’s net carrying amount on initial recognition.

v. Fixed Assets & Depreciation on Tangible Assets

All assets held with the intention of being used for the purpose of providing services and not for sale in the normal course of business are recognized as Fixed Assets and are stated at cost less accumulated depreciation after considering lease adjustment account. All costs including finance cost attributable to fixed assets till assets are ready for intended use are capitalized. Cash Flow Statement:

As required by Accounting Standard-3 “Cash Flow Statement” issued by “The Institute of Chartered Accountants of India” the Cash Flow for the period is reported using indirect method. The Cash and Cash Equivalent of the Company comprises of Cash in hand and Current account with Scheduled Banks.

No Depreciation is being charged on Fixed Assets

6. Intangible Assets & Amortisation

Intangibles assets are stated at cost less accumulated amortisation. Intangible assets are stated at cost less accumulated amortisation. Intangible assets are amortized on a straight line basis over the estimated useful economic life. The Company uses a rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use. All intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired.

7. Borrowing costs

Interest and other costs connected with the borrowing for the acquisition / construction of qualifying fixed assets are capitalised up to the date such asset are put to use and other borrowing cost are charged to statement of profit & loss. Borrowing cost includes exchange rate difference to the extent regarded as an adjustment to the borrowing cost.

8. Use of Estimates:

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions.

These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made. Differences between actual results and estimates are recognised in the period in which the results are known/ materialised.

9. Cash Flow Statement

As required by IND-AS-7 “Cash Flow Statement” issued by “The Institute of Chartered Accountants of India” the Cash Flow for the period is reported using indirect method. The Cash and Cash Equivalent of the Company comprises of Cash in hand and Current account with Scheduled Banks.

10. Foreign Currency Transactions

The functional and presentation currency of the Company is Indian Rupee.

Foreign currency transactions are recorded at the exchange rate prevailing on the date of the respective transactions. Gains / losses arising on foreign currency transactions settled during the year are recognised in the standalone statement of profit and loss.

Exchange differences arising on translation of monetary items are recognised in the standalone statement of profit and loss Exchange differences arising on monetary items that, in substance, form part of the Company’s net investment in a foreign operation (having a functional currency other than Indian Rupee) are accumulated in foreign currency translation reserve.

Non-monetary items denominated in foreign currency are carried at cost. There are no Foreign Currency transactions during the financial year.

11. Derivatives

The Company has not yet entered into derivative financial instruments, primarily foreign exchange forward contracts.

12. Inventories

Inventories are measured at lower of the cost and net realizable value. Cost of inventories comprises all costs of purchase (net of input credit) and other costs incurred in bringing the inventories to their present location and condition. Costs of consumable and trading products are determined by using the First-In First-Out Method (FIFO).

13. Employee Benefits

i. Short term employee benefits:

Employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

ii. Post-employment benefits:

- a) Defined contribution plans: The Company's superannuation scheme, state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/ payable under the schemes is recognised during the period in which the employee renders the related service.
- b) Defined benefit plans: The employees' gratuity fund schemes and employee provident fund schemes managed by board of trustees established by the Company, the post-retirement medical care plan and the Parent Company pension plan represent defined benefit plans. The present value of the obligation under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognised in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to profit or loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefit expenses. Interest cost implicit in defined benefit employee cost is recognised in the Statement of Profit and Loss under finance cost. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Company recognizes related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

iii. Long term employee benefits:

The obligation recognised in respect of long term benefits such as long term compensated absences is measured at present value of estimated future cash flows expected to be made by the Company and is recognised in a similar manner as in the case of defined benefit plans vide (ii) (b) above.

iv. Termination benefits:

Termination benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is earlier.

v. Gratuity

The liability for gratuity has not been provided as per the provisions of Payment of Gratuity Act, 1972 since no employee of the company is eligible for such benefits during the year.

vi. Provident Fund

The provisions of the Employees Provident Fund are not applicable to the company since the numbers of employees employed during the year were less than the minimum prescribed for the benefits.

vii. Leave Salary

In respect of Leave Salary, the same is accounted as and when the liability arises in accordance with the provision of law governing the establishment.

14. Taxation

Tax expenses comprises of Current and Deferred Tax.

Current Tax

Current tax is measured at the amount expected to be paid to tax authorities in accordance with the Income Tax Act, 1961. The Company's current tax is calculated using tax rates and tax laws that have been enacted during the period, together with any adjustment to tax payable in respect of previous years. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realise the asset and settle the liability simultaneously.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Income tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable.

Deferred tax assets and liabilities are off set when there is legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances related to the same taxation authority.

15. First Time Adoption of Ind AS:

These Financial Statements, for the year ended 31st March 2019 have been prepared in accordance with Ind AS 101, "First Time Adoption of Ind AS", as these are the Company's first Ind AS compliant financial statements.

For the periods upto and including the year ended 31st March 2019, the company prepared its financial statements in accordance with the accounting standards notified under section 133 of Companies Act, 2013, read together with Paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

Accordingly, the company has prepared its financial statement to comply with the Ind AS for the year ending 31st March, 2019, together with the comparative figures as at and for the year ended 31st March, 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the company opening balance sheet was prepared as at 1st April, 2018, the date of transition to Ind AS 2018.

17. Provisions and Contingent Liabilities

The Company recognises a provision when there is a present obligation as a result of an obligating event that probably requires outflow of resources and a reliable estimate can be made of the amount of the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

A disclosure of a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure of contingent liability is made.

18. Operating Segments

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker (CODM). The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors.

Segments are organised based on business which have similar economic characteristics as well as exhibit similarities in nature of products and services offered, the nature of production processes, the type and class of customer and distribution methods.

Segment revenue arising from third party customers is reported on the same basis as revenue in the financial statements. Inter-segment revenue is reported on the basis of transactions which are primarily market led. Segment results represent profits before finance charges, unallocated expenses and taxes.

“Unallocated Expenses” represents revenue and expenses attributable to the enterprise as a whole and are not attributable to segments.

20. Non-Current Investments:

Investments are valued at fair market value on the reporting date either through other comprehensive income, or through the Statement of Profit and Loss.

21. Borrowing Cost

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalized as a part of such assets. All other borrowing costs are charged off to revenue.

22. Recognition

Financial assets include investments, trade receivables, cash and cash equivalents, other bank balances, loans and other financial assets. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the standalone Statement of Profit and Loss.

23. Loan Origination Cost

Brokerage, commission, incentive to employee etc. paid (if any) at the time of acquisition of loans are charged to revenue

24. Impairment of Non-Financial Assets:

The Management periodically assesses using external and internal sources whether there is any indication that an asset may be impaired. Impairment of an asset occurs where the carrying value

exceeds the present value of the cash flow expected to arise from the continuing use of the asset and its eventual disposal. A provision for impairment loss is made when the recoverable amount of the asset is lower than the carrying amount.

25. De-recognition

Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership.

Consequently, if the asset is one that is measured at

- a) Amortised cost, the gain or loss is recognised in the standalone statement of profit and loss.
- b) Fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the standalone statement of profit and loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

26. Financial Liabilities And Equity Instruments

Classification:

Equity instruments issued by the Company are classified as equity in accordance with the substance of the contractual arrangements and the definitions of an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a company are recognised at the proceeds received.

Financial Liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption / settlement is recognised in the standalone statement of profit and loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the balance sheet.

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

27. Earnings per Share:

Earnings per share is calculated by dividing the profit/(loss) attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. The number used in calculating the basic and diluted earnings per share are stated below:

Particulars	31.03.2019	31.03.2018
Net profit/(loss) for the year as per Statement of Profit and Loss (Rs.)	(1,19,52,115)	(2,29,03,161)
Weighted Average number of equity shares for calculating Basic EPS	1,00,00,100	1,00,00,100
Weighted Average number of equity shares for calculating Diluted EPS	1,00,00,100	1,00,00,100
Face value per Share (Rs)	10	10
Basic & Diluted EPS on Face Value of Rs.10	(1.20)	(2.29)

28. Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, bank overdraft, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

29. Financial Risk Management Objectives and Policies:

The Company's activities are exposed to a variety of Financial Risks from its Operations. The key financial risks include Market risk, Credit risk and Liquidity risk.

a) Market Risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises mainly three types of risk: Foreign currency risk, Interest rate risk and other price risk such as Equity price risk and Commodity Price risk.

b) Foreign Currency Risk:

There are no Foreign Currency transactions during the financial year.

c) Foreign Currency Sensitivity:

There are no Foreign Currency transactions during the financial year.

d) Interest Rate Risk and Sensitivity:

The Company does not have any term borrowings.

e) Commodity Price Risk:

The Company does not have any trading Activity during the Financial Year.

f) Credit Risk:

Credit risk is the risk that counterparty might not honor its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables).

g) Trade Receivables:

Customer credit risk is managed based on company's established policy, procedures and controls. The company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

Credit risk is reduced by receiving pre-payments and export letter of credit to the extent possible. The Company has a well-defined sales policy to minimize its risk of credit defaults. Outstanding customer receivables are regularly monitored and assessed. The Company follows the simplified approach for recognition of impairment loss and the same, if any, is provided as per its respective customer's credit risk as on the reporting date.

h) Liquidity Risk:

Liquidity risk is the risk, where the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due.

The table below summarizes the maturity profile of company's financial liabilities based on contractual undiscounted payments:

Particulars	As at 31st March,2019	As at 31st March,2018

Including working capital facility from consortium banks renewed every year and current maturity of long-term borrowings.

30. Standards Issues but not yet Effective:

IND AS 115- Revenue from Contract with Customer: On March 28, 2018 Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principal of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The company will adopt the standard on April 1, 2018 by using the cumulative catch-up transition method and accordingly comparatives for the year ending or ended March 31, 2018 will not be retrospectively adjusted. The effect on adoption of IND AS 115 is expected to be insignificant. Details of the same are under:-

33. Other Notes and Additional Information forming part of Financial Statements

1. Use of Estimates and Judgments:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

In particular, information about the significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are related to:

- i. Useful life of property, plant and equipment and intangible assets
- ii. Provision for product warranties
- iii. Provision for employee benefits
- iv. Fair value of financial assets / liabilities
- v. Provisions and contingent liabilities
- vi. Useful Life of Property, Plant and Equipment and Intangible Assets

As described in the significant accounting policies, the Company reviews the estimated useful lives of property, plant and equipment and intangible assets at the end of each reporting period. The Company is required to determine whether its intangible assets have indefinite or finite life which is a subject matter of judgment.

2. Provision for Employee Benefits

The determination of Company's liability towards defined benefit obligation and other long term employee benefits to employees is made through independent actuarial valuation including determination of amounts to be recognised in the standalone statement of profit and loss and in other comprehensive income. Such valuation depends upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. Information about such valuation is provided in notes to accounts.

3. Fair Value Measurements and Valuation Processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party qualified values to perform the valuation, if required.

4. Provisions and Contingent Liabilities

The Company has ongoing litigations with various regulatory authorities and third parties. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty.

5. Other Matters

- Previous year figures have been restated to confirmation to the classification of the current year.
- Balances of Sundry Debtors, Unsecured Loans, and Sundry Creditors are Loans & Advances are subject to reconciliation, since conformations have not been received from them. Necessary entries will be passed on receipt of the same if required.

34. RECENT ACCOUNTING PRONOUNCEMENTS:

1. Ind AS 21 – The Effects of Changes in Foreign Exchange Rates

On 28 March 2018, Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21–The Effects of Changes in Foreign

Exchange Rates which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency. This amendment will come into force from 01 April 2018. The Company has evaluated the effect of this on the financial statements and the impact is not material.

2. Ind AS 115 - Revenue from Contract with Customers

On 28 March 2018, Ministry of Corporate Affairs (MCA) has notified the Ind AS 115 - Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers. The effective date for adoption of Ind AS 115 is financial periods beginning on or after 01 April 2018. The effect on adoption of Ind AS 115 on the financial statements is expected to be insignificant.

3. Mandatory Exceptions:

i. Estimate

Upon an assessment of the estimates made under Previous GAAP, the company has an opinion that there was no necessity to revise such estimates under Ind AS, except where revision in estimates was necessitated as required in Ind AS. The estimates used by the company to present the amounts in accordance with Ind AS reflect conditions existing as at 1st April, 2016, the date of transition to Ind AS and as at 31st March, 2017 and as at 31st March, 2018.

ii. De-recognition of Financial Assets and Financial Liabilities

The Company has opted to apply the de-recognition requirements for financial assets and financial liabilities in accordance with Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS.

iii. Classification and Measurement of Financial Assets

The Company has classified the financial assets in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

i. Details of Loans given, Investments made, guarantees given covered under Section 186(4) of The Companies Act, 2013

Since your Company is one of the RBI registered NBFC (Non-deposit taking Company), provision of Section 186 of the Companies Act, 2013 are not applicable to the Company.

35. Notes to previous GAAP and Ind AS

- a. Under IGAAP, CRPS formed part of the Equity Share Capital. The share issue expenses were debited to securities premium account. As per Ind AS 32, since there is no term for conversion of the instrument on the date of issuance, such instrument is classified as a liability and interest cost is accrued at the rate of dividend applicable along with dividend distribution tax (DDT) thereto. The share issue expenses are net off upon initial recognition from the borrowings and amortised under effective interest rate method, resulting in increase in security premium account and decrease in borrowings on account of CRPS.
- b. Under IGAAP, the ESOPs of the holding company given to employees of the Group were recorded at intrinsic value. Under Ind AS, the option fair value cost is amortised over the vesting period in the Statement of Profit and Loss and a corresponding liability for ESOP outstanding is created.

- c. Actuarial gains and losses pertaining to defined benefit obligations and re-measurement pertaining to return on plan assets are recognised in Other Comprehensive Income in accordance with Ind AS 19 and are not reclassified to profit or loss.
 - d. Deferred tax under Ind AS has been recognised for temporary differences between tax base and the book base of the relevant assets and liabilities. Under the Previous GAAP, the deferred tax was accounted based on timing differences impacting the Statement of Profit and Loss for the period.
- 35.1. Previous year previous GAAP figures have been regrouped / reclassified to make them comparable with IND AS presentation.
- 35.2. The above financial statements have been reviewed by the audit committee and subsequently approved by the Board of Directors at its meeting held on May 29, 2019.
36. Key source of estimation:
 The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment & intangible assets, expected credit loss on loan books, future obligations in respect of retirement benefit plans, fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.
37. Inventories
 The company has converted its investments into its stock-in-trade on the first date of the financial year. The inventories have been valued at the method prescribed in the Accounting Standards.
38. Other Income Recognition
 Interest on Loan is booked on a time proportion basis taking into account the amounts invested and the rate of interest.
 Dividend income on investments is accounted for when the right to receive the payment is established.
39. Purchases
 Purchase is recognized on passing of ownership in share based on broker's purchase note.
40. Expenditure
 Expenses are accounted for on accrual basis and provision is made for all known losses and liabilities.
41. Investments
 Current investments are stated at the lower of cost and fair value. Long-term investments are stated at cost. A provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments. Investments are classified into current and long-term investments.
 Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.
42. Related Parties
 Parties are considered to be related if at any time during the reporting period one party has the ability to control the other party or exercise significant influence over the other party in making financial and/or operating decisions.

As required by AS-18 "Related Party Disclosure" only following related party relationships are covered:

- a. Enterprises that directly, or indirectly through one or more intermediaries, control, or are controlled by, or are under common control with, the reporting enterprise (this includes holding Companies, subsidiaries and fellow subsidiaries);
- b. Associates and joint ventures of the reporting enterprise and the investing party or venture in respect of which the reporting enterprise is an associate or a joint venture;
- c. Individuals owning, directly or indirectly, an interest in the voting power of the reporting enterprise that gives them control or significant influence over the enterprise, and relatives of any such individual;
- d. Key management personnel (KMP) and relatives of such personnel; and
- e. Enterprises over which any person described in (iii) or (iv) is able to exercise significant influence.

43. Stock In Trade

Shares are valued at cost or market value, whichever is lower. The comparison of Cost and Market value is done separately for each category of Shares.

Units of Mutual Funds are valued at cost or market value whichever is lower. Net asset value of units declared by mutual funds is considered as market value for non-exchange traded Mutual Funds.

4. Other Notes to Accounts

- In the opinion of the management, current assets, loans and advances and other receivables are approximately of the value stated, if realized in the ordinary course of business. The provisions of all known liability are ascertained.
- Previous year figures have been restated to confirm the classification of the current year.
- Balances of Sundry Debtors, Unsecured Loans, and Sundry Creditors are Loans & Advances are subject to reconciliation, since confirmations have not been received from them. Necessary entries will be passed on receipt of the same if required.
- The company has not provided for Gratuity and Leave Encashment to Employees on accrual basis, which is not in conformity with AS-15 issued by ICAI. However, in the opinion of management the amount involved is negligible and has no impact on Statement of Profit & Loss.
- The Inventories valuing to ₹17,68,165/-, are not in the name of the Company.
- There is an open position of the Contract of 25,000 Shares of IRB Infrastructures Limited valuing to Rs. 55,14,190/- in Future trading on NSE. The Company has provided for adjustments as per closing rates on said Contract.

Dear Shareholder(s),

This is to inform you that the company is in process of updation of records of the shareholders in order to reduce the physical documentation as far as possible.

With new BSE & CSE listing agreement, it is mandatory for all the investors including transferors to complete their KYC information. Hence, we have to update your PAN No., Phone no. and E-mail id in our records. We would also like to update your current signature records in our system to have better services in future.

To achieve this we solicit your co-operation in providing the following details to us :

1. If you are holding the shares in dematerialized form you may update all your records with your Depository Participant (DP).
2. If you are holding shares in physical form, you may provide the following :

Folio No.	:	
PAN No.	:	
E-mail ID	:	
Telephone Nos. with STD Code	:	+91
Name and Signatures	:	1.
		2.
		3.

Thanking you,

S/d-

Sushil Kumar Purohit
